SAVE OUR™ LIGHTS

The **Thunder Bay Island Preservation Society** is saving the **Thunder Bay Island Fog Signal Building by replacing the roof with a historically correct metal shingle roof** with a grant from the Michigan Lighthouse Assistance Program.

YOU can **SUPPORT** the program and **HELP SAVE** Michigan lighthouses by purchasing your fundraising plate through the Secretary of State.

This project is funded and administered through:

MSHDA™
MICHIGAN STATE HOUSING DEVELOPMENT AUTHORITY

MICHIGAN SHPO
STATE HISTORIC PRESERVATION OFFICE
